On 25th April 2026, R.L. Law College, Davangere, organized an informative and intellectually stimulating debate programme for the 2nd year students. The programme was conducted with the objective of encouraging students to develop legal reasoning, critical thinking, communication skills, and awareness of current issues relating to law and society. The debate covered several significant and contemporary topics, namely “Is AI a Boon or Bane for the Legal Profession?”, the NCERT controversy on Judicial Corruption, and the Sabarimala Judgment. Students actively participated and presented their arguments both in favour of and against the topics with confidence, clarity, and enthusiasm. The event was guided by the faculty members, who moderated the discussions and motivated students to express their views in a professional and disciplined manner.
